

**ADD REPEAT SALES TO YOUR BUSINESS
WITH THE TRANSPROTECTOR™**

TRANSPROTECTOR™

The biggest auto repair concern – and most costly – for consumers is transmission breakdown. The TransProtector is the best inline transmission filter on the market today –

- OE tested & proven technology
- Used on vehicles in the U.S. & Europe
- Easy to install & maintain

- Built for performance & durability
- Available in 3 sizes

Add the TransProtector to your product line, for

- Add-on transmission repair / maintenance income
- Repeat business potential
- Extra protection for your customers' transmission systems
- Reduce transmission warranty comebacks
